New Zealand's Future

- Globally connected
- Friends with everyone
- High value niche
- More than just a farm
- Still small and distant
- High quality institutions

Implications

- It's not just about Asia
- Resilience and connections or matter
- New Zealand's society will change
- Challenges to social cohesion and institutions
- Business increasingly engaged in social issues

Education System

- Work ready skills vital
- Hard and soft skills
- STEM
- All on board
- A world class education system for New Zealand
- Business and education in it together
